

Alpine journey

A Journey through the Alps

With Grauvieh cattle calmly chewing their cud and sharply alert groundhogs, pictures of stunning landscapes embrace the entire spectrum from barren peaks over lush mountain meadows down to the fertile valley plains.

The Alps delight the heart and eyes – as well as the palate! We invite you to embark on a culinary journey to the most beautiful and delicious places bounded by France and Switzerland, Austria, Italy and Slovenia: with constant new indulgent routes intersecting all over the Alps.

Allow yourself to savor these flavours!

Your vigilius team
